SUBJECT: REPAIR AND OVERHAUL OF ENGINE APPROVAL – AMO/329/11

Greetings,

Reference is made to your email dated 12 March 2012 requesting to extend the validity of the approval issued to Volvo Aero Corporation.

The GCAA hereby extends the approval granted to Volvo Aero Corporation to carry out repair and overhaul of Honeywell TFE 731 series engines for a further period of six months from 21 March 2012 provided that all work performed is in accordance with and under the scope of your organization's EASA Certificate No.SE.145.0005.

All work concerned should be certified and released under the scope of GCAA approval No. AMO/329/11.

This approval is valid to 21 September 2012.

The GCAA will audit your facility during the validity period of this approval for which prior notice will be served.

Regards,

OMAR BIN GHANNAM
MANAGER MROs
